The Housing Authority will continue to have a preference for Sound Families Projects that combine project based housing assistance with services for homeless families with children

The Housing Authority partnered with Greater Lakes Mental Health Services to provide project based section 8 vouchers for 30 individuals with mental illness

The Housing Authority will seek partnerships to provide project based vouchers for programs that provide services for elderly, disabled, and homeless families

The housing authority will continue to lease units to service providers as a partnership in the “Housing 1st programs”

The Housing Authority will continue to provide Family Self Sufficiency training for our Public Housing and Section 8 participants. This is a voluntary program in which participants have 31 hours of classes targeted to developing financial literacy, learning to rebuild credit, preparing for homeownership, accessing community resources, and developing new expectations.

The Housing Authority will expand the “Ready to rent” training programs that are currently being offered to a limited number of waiting list clients and section 8 participants. This provides nine hours of intensive interactive training addressing rental barriers such as poor credit, evictions, criminal history, late rent payments and more. Households will learn how to keep their homes clean, get along with neighbors and property owners, and become partners with landlords in successful tenancy. This program is instrumental in getting families with significant barriers into housing and maintaining suitable housing. PCHA plans to expand this program into prevention by providing training to clients at risk of evictions.

PCHA will continue to develop partnership to link clients to community resources for utility assistance, employment training, financial counseling etc.

**Additional Information.** Describe the following, as well as any additional information HUD has requested.

- (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.
- (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

Attainment of PCHA's long term goals have been hampered by inadequate funding for federal programs, and by prolonged litigation in the non federal programs that led to the filing for Chapter 9 protection in October 2008.

**Goal # 1 Apply for additional rental vouchers**

PCHA did apply for and receive 96 VASH vouchers.

PCHA applied for MFP vouchers, but was not awarded the vouchers.

**Goal #2 Reduce public housing vacancies:**

PCHA has reduced public housing vacancies. The current vacancy rate for rent-ready units is -0-.

**Goal #3 Improve voucher management scores:**

PCHA SEMAP for 2010 was Standard. PCHA PIC reporting rate for 2011 is 100%. PCHA is conducting monthly reviews to monitor semap related requirements and anticipates a score resulting in high performance for 2011.

**Goal #4 Improve customer satisfaction:**

Customer satisfaction improvements have been achieved in several ways.

PCHA has increased the time for processing annual renewals. In the past annual renewals were started 60 days before the annual, which often led to inadequate notice for families and landlords. The current processing is started 120 days in advance. This has resulted in timely client notifications of rent changes.

PCHA has remodeled the Section 8 lobby area, and provided additional space and lighting. By the end of the year, we plan to have a computer work station in the lobby so clients can search for rentals, order social security cards, bank statements etc.

Housing Specialists have been empowered to make many decisions independently about reasonable accommodations issues and Domestic violence matters to avoid delays while waiting for management approval.

PCHA's hearings are now conducted by an impartial 3<sup>rd</sup> party professional attorney, who is an active community activist for the disabled. Upheld terminations have decreased to approximately 2 to 3 per month (previous averages were 20 to 30).

PCHA offers more training opportunities to clients in FSS and the Ready to Rent Programs.

PCHA is working to reduce the volume of phone calls by providing an opportunity for all clients to return their paperwork and meet with their housing specialist for assistance.

Each Housing specialist now has a private office where they can meet with clients in a more serene and professional atmosphere.

**0.0 Goal #5 Demolish or dispose of obsolete public housing**

PCHA will be submitting disposal application by 11/15/2011

**Goal #6 voucher mobility counseling**

Voucher mobility counseling is provided to clients at each annual renewal. A packet of information about communities, schools, and services available in areas outside concentrations of poverty/minority concentration is provided to all new voucher holders and at annual review.

**Goal #7 Provide outreach efforts to potential landlords**

PCHA provides speakers to local rental associations

PCHA provides annual training opportunities to landlords and potential landlords

**Goal #8 Ensure equal opportunity housing for all Americans**

PCHA provides annual fair housing training to landlords and potential landlords

PCHA staff participate in fair housing trainings available through the City of Tacoma, and Washington state Fair Housing
