

Dear Partner,

Thank you for your valued support of **Pierce County Affordable Housing Week 2025**. Whether you are a sponsor or a member of the Tacoma-Pierce County Affordable Housing Consortium, your partnership is key to helping us raise awareness and drive meaningful conversations about housing solutions in our region.

To help amplify this important week, we've created a **Promo Kit** (attached) with sample social media posts, graphics, and email templates that you can easily use to share with your networks.

**How you can help:**

- Share at least one post this week and next using the materials provided.
- Tag our organization so we can highlight your support.
- Encourage your networks to register for events and attend the **Networking Reception** on May 8.
- Repost our social media posts from [Instagram](#) and [Facebook](#).

**Event Information:** <https://www.affordablehousingconsortium.org/affordable-housing-week>

Your support increases visibility and strengthens our collective effort to ensure everyone in Pierce County has access to safe, stable, and affordable housing. Please don't hesitate to contact me if you need any additional information or materials. Thank you again for your commitment to this work.

Sincerely,

**Amanda DeShazo**
