The Pierce County Housing Authority (PCHA) is a public body corporate and politic, created by Pierce County's Board of Supervisors (now County Council) in 1978 pursuant to State statute (RCW35.82). The mission of the Pierce County Housing Authority (the Authority) is to provide safe, decent, affordable housing and economic opportunity, free from discrimination.

The governing body of the Housing Authority is the Board of Commissioners. The Commissioners elect from among themselves a chair and a vice chair. The Authority Board regular meetings occur the last Wednesday of each month, currently at 3:30 PM PST. The Board is responsible for hiring an Executive Director, who also serves as Secretary to the Board. The Executive Director administers the operations of the Authority and implements the policies established by the Board.

PCHA currently operates 124 Low-Income Public Housing (LIPH) units; 20 Units of USDA/RD Housing, administers approximately 2,946 Section 8/HCV program vouchers, and operates an Enterprise Portfolio consisting of approximately 670 units. Additional grants are received periodically for the Renovation and Modernization of existing facilities and in support of our Family Self Sufficiency Programs. Currently, the Pierce County Housing Authority employs 39 individuals.

PCHA's Enterprise Portfolio contains a variety of units located throughout Pierce County in multifamily housing complexes. Though individual units may carry a federal subsidy with a partner organization, these complexes themselves are not federally subsidized, and provide "naturally occurring" affordable housing options to the broad public without having to qualify through government aid programs. These units include one, two, and three bedrooms in a variety of localities in Pierce County, including Lakewood, Fife, and unincorporated areas.

Pierce County Housing Authority recently received approval from HUD to restructure its LIPH portfolio and subsidy, using a Section 18 Disposition process. This process involves the relocation of current tenants using Tenant Protection Vouchers and set-aside funds for moving expenses and other considerations, and the eventual sale of the LIPH properties (see solicitations SEC18-23-01 and SEC18-23-02 for more information on the process for the sales of the homes). The funding generated by these sales will be used to develop more affordable housing for the residents of Pierce County by new development(s), acquisition/rehabilitations, adaptive reuse, and potentially other strategies as opportunity presents.

This solicitation seeks to solicit an architectural firm to provide feasibility studies and potential development work as opportunities necessitate, including feasibility studies for several parcels already identified by PCHA as high-opportunity sites. The scope of work may also include condition assessments and architectural design and related engineering services for building renovations (interior and/or exterior), new building construction, and demolition work as necessary. Please see the Scope of Services for more information.

The Consultant understands that this is an as-needed Contract with no specific scope of work or payment authorized and that there is no guarantee for any specific amount of work to be assigned under this as-needed Contract. Work shall be assigned by separately executed Work Orders. The Consultant shall provide timely response to completing the work assigned in Work Orders. The potential scope of services for Work Orders may include, but is not limited to or guaranteed to include the following:

This design work will be carried to a 100% design development level of completion and detail including floor plans, reflected ceiling plans, mechanical, electrical, and structural plans, interior elevations and details, as well as specifications. The documentation of this work will become the property of PCHA, will be used for all purposes under this contract, and may be used by PCHA for other projects outside the scope of this contract, subject to documentation releasing the architect from liability for use on projects for which the architect is not the architect of record.

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

#### **7. Contract Award**

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

#### **8. Service of Protest**

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

#### **9. Offer Submission**

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.
