<p>B.3</p>	<p>Progress Report.</p> <p>Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year Plan. Goal 1: Increase availability of safe decent affordable housing.</p> <p>8.3 Progress Report.</p> <p>Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.</p> <p>Goal 1: Increase the Provision of Safe, Decent, Affordable Housing: Objective A: Increase the Number of Housing Choice Vouchers Available to PCHA Progress: In 2022 PCHA applied for 62 EHV's through the American Rescue Plan Act (ARPA). The referrals come from the County’s coordinated Entry system. Currently we are doing a lottery for the referrals through Diversion (40 vouchers) and Emergency Shelters (22 vouchers),</p> <p>C .Request additional Veterans Affairs Supportive Housing Vouchers (VASH) when funding is available. Progress :No TPV’s and/or VASH vouchers allocations received in 2021. but we did put Quixote (Orting Soldiers Home) PBV and VASH units on line in May of this year, 10 VASH and 25 PBV’s, the whole complex is subsidized now when originally the AHAP was for 30 units to be subsidized but we were contacted by the VA to request VASH vouchers to go in there, started with 5 requested and went to 10, those units are full as of today’s date), we still have 7 PBV’s to fill but that was by design due to COVID restrictions and processes by the management of Quixote. This complex should be fill by the end of the year.</p> <p>b) PCHA's public housing portfolio is largely comprised of three and four bedroom homes. If PCHA is successful in its application to dispose of all or some of the 124 single family public housing units, the disposition will include an application for tenant protection vouchers (if available). Progress: HUD continues to encourage small housing authorities to dispose of public housing through the Section 18 disposition process. In 2019 staff and the Board of Commissioners of the Housing Authority reviewed options available for repositioning the public housing portfolio. Pierce County Housing Authority has made application for disposition (sale) of the remaining 124 units of public housing in accord with Section 18 Disposition and relevant HUD Notices. Pierce County Housing Authority application for Section 18 disposition, also applied for tenant protection vouchers. Tenant protection vouchers, if available, ensure that income eligible families receive a housing choice voucher at the time of disposition (sale) of the portfolio.</p> <p>Objective B: Increase and Improve Partnerships with Community Organizations to Expand the Number of Affordable Housing Units in Pierce County</p> <p>1. PCHA will continue to participate in community organizations, such as the Pierce County Affordable Housing Consortium, that support and advocate for the expansion of affordable housing. Progress: Pierce County Housing Authority continued its partnership with the Affordable Housing Consortium. The Consortium offered a number of community events intended to raise awareness of the need for affordable housing including meet the candidate forums with the Women’s Voter League. The Consortium is developing a community education platform intended to increase support for the development and maintenance of affordable housing in Pierce County.</p> <p>2. PCHA will seek partnerships with local government, including Pierce County. The County Council voted to study the feasibility of merging PCHA with the Tacoma Housing Authority in 2021. We have hired a CPA/Consulting firm analyze the economic consequences of a merger and continue to meet with THA staff on a weekly basis exchanging information and ideas for better service to our shared community.</p> <p>c) PCHA will seek opportunities to partner with other affordable housing development entities to expand affordable housing opportunities, including a funding application process for Project Based Vouchers. Progress: PCHA has meet with local and regional developers mining the market for potential partnerships</p> <p>Objective C: Increase Lease-up Success Rate for Section 8 Participant, we started the year with 2614 vouchers leased per month and projected to end the year with 2677 after the absorption is completed. However, leasing has been a challenge this year due to the market. We notified over 300 from our waitlist, housed about 150 from there this year but have an attrition rate of about 5.2% currently, affordable units are just not available right now. To help we increased the 2022 payment standards to 110% of the 2022 HUD published FMR’s and removed the minimum rent requirement of \$50.</p> <p>Goal 3: Increase Economic Stability for Section 8 and Public Housing Residents Objective A: Expand PCHA's Family Self Sufficiency (FSS) Program We continue to have to coordinators and 125 slots. We are awaiting 2022 application and plan on continuing the program</p>
